Oluwaseyi Akinnawo

Cloud Engineer

I am a cloud engineer passionate about creating and maintaining cutting-edge, secure, and flexible cloud infrastructure that empowers businesses to succeed. With experience in designing, deploying, and managing cloud solutions on AWS and GCP, I have the expertise to help streamline operations and increase productivity. I'm dedicated to delivering exceptional results by improving cloud performance and implementing robust security measures.

WORK EXPERIENCE

Google Associate Cloud Engineer
Andela

04/2022 - 03/2023

Achievements/Tasks

- Used Jenkins and Ansible to Automate the Continuous Delivery model .
- Automated deployment and scaling of applications in GCP using tools such as Terraform and Bash script.
- Ensured availability of Production and Development systems based on Google Cloud Platform with GCP Cloud Compute and GKE.
- Implemented Dockers to enhance developer productivity by 30% and server consolidation and Management by 20%.
- Maintaining 24-hour operations, and ensuring 99.9% uptime for the servers, performing backups of all servers.

Junior Software Engineer
Stutern

11/2019 - 06/2020

Achievements/Tasks

- Built and deployed scalable web applications using Bootstrap 4, React, NodeJS, and PostgreSQL resulting in a 20% increase in performance.
- Collaborated with the product and design teams to guarantee that the user experience was seamless and the workflows were efficient.
- Designed and implemented RESTful APIs to improve system performance and scalability.

EDUCATION

Cloud Engineering
AltSchool Africa

04/2022 - Present

Courses

- Linux Administration
- Monitoring & CI/CD Pipelines
- Automation & Networking

Industrial Chemistry
Osun State University

2011 - 2016

SKILLS

NodeJS · Terraform · AWS · GCP · Ansible · Jenkins · Github Actions · Javascript · Linux

CERTIFICATES

Amazon Web Services (AWS) Certified Cloud Practitioner (10/2022 - 10/2025)
VALIDATION NUMBER 0VMZB2BC6JQ41YW2

Andela x Google Africa Developer Google Cloud Program (03/2023 - Present)
Credential ID 87CB15415CC4EAF
